Ladies and Gentlemen:

Crescent Capital BDC, Inc., a Maryland corporation (the "Company"), confirms its agreement with BofA Securities, Inc., Wells Fargo Securities, LLC, Morgan Stanley & Co. LLC, Keefe, Bruyette & Woods, Inc. and each of the other Underwriters named in Schedule A hereto (collectively, the "Underwriters," which term shall also include any underwriter substituted as hereinafter provided in Section 10 hereof), for whom BofA Securities, Inc., Wells Fargo Securities, LLC, Morgan Stanley & Co. LLC and Keefe, Bruyette & Woods, Inc. are acting as representatives (in such capacity, the "Representatives") with respect to the issue and sale by the

Company and the purchase by the Underwriters, acting severally and not jointly, of the respective numbers of shares of Common Stock, par value \$0.001 per share, of the Company (“Common Stock”) set forth in said Schedule A, and with respect to the grant by the Company to the Underwriters, acting severally and not jointly, of the option described in Section 2(b) hereof to purchase additional shares of Common Stock. The aforesaid shares of Common Stock (the “Initial Securities”) to be purchased by the Underwriters and all or any part of the shares of Common Stock subject to the option described in Section 2(b) hereof (the “Option Securities”) are hereinafter called, collectively, the “Securities”.

The Company understands that the Underwriters propose to make a public offering of the Securities as soon as the Representatives deem advisable after this Agreement has been executed and delivered.

The Company has filed with the Securities and Exchange Commission (the “Commission”) a shelf registration statement on Form N-2 (File No. 333-255478) covering the registration of the Securities and certain of the Company’s other securities under the Securities Act of 1933, as amended (the “1933 Act”), which registration statement became effective on September 1, 2021. The Company has also filed with the Commission a preliminary prospectus supplement, dated November 15 2021, which contains a base prospectus, dated August 6, 2021 (collectively, the “preliminary prospectus”). Promptly after execution and delivery of this Agreement, the Company will prepare and file a prospectus in accordance with the provisions of Rule 430B (“Rule 430B”) of the rules and regulations of the Commission under the 1933 Act (the “1933 Act Regulations”) and Rule 424(b) (“Rule 424(b)”) of the 1933 Act Regulations. The information included or incorporated by reference in such prospectus that was omitted from such registration statement at the time it became effective but that is deemed to be part of such registration statement pursuant to Rule 430B is referred to as “Rule 430B Information.” Unless the context otherwise requires, such registration statement, including all documents filed as a part thereof, and including all post-effective amendments thereto filed on or prior to the date hereof and any Rule 430B Information contained in a prospectus subsequently filed with the Commission pursuant to Rule 424(b) under the 1933 Act and deemed to be part of the registration statement, and also including any registration statement filed pursuant to Rule 462(b) under the 1933 Act Regulations (the “Rule 462(b) Registration Statement”), is herein called the “Registration Statement.” The final prospectus in the form filed by the Company with the Commission pursuant to Rule 424(b) under the 1933 Act on or before the second business day after the date hereof (or such earlier time as may be required under the 1933 Act), which will include the base prospectus, dated August 6, 2021, together with a final prospectus supplement, is herein called the “Prospectus.” Any reference herein to the Registration Statement, any preliminary prospectus or the Prospectus shall be deemed to refer to and include the documents that are incorporated by reference therein pursuant to the 1933 Act Regulations in effect as of the Applicable Time (as defined below). For purposes of this Agreement, all references to the Registration Statement, any preliminary prospectus, the Prospectus or any amendment or supplement to any of the foregoing shall be deemed to include the copy filed with the Commission pursuant to its Electronic Data Gathering, Analysis and Retrieval system (“EDGAR”). A Form N-54A Notification of Election to be Subject to Sections 55 through 65 of the Investment Company Act of 1940 filed Pursuant to Section 54(a) of the Investment Company Act (File No. 814-01132) (the “Notification of Election”) was filed with the Commission on June 5, 2015 and amended on January 30, 2020 under the Investment Company Act of 1940, as amended, and the rules and regulations thereunder (collectively, the “1940 Act”).

The Company has entered into the Amended and Restated Investment Advisory and Management Agreement, dated as of January 5, 2021 (as amended, the “Investment Advisory Agreement”) with Crescent Cap Advisors, LLC, a Delaware limited liability company registered as an investment adviser (the “Adviser”), under the Investment Advisers Act of 1940, as amended, and the rules and regulations thereunder (collectively, the “Advisers Act”).

The Company has entered into an Administration Agreement, dated as of June 2, 2015 (the “Administration Agreement”), with CCAP Administration LLC, a Delaware limited liability company (the “Administrator”).

SECTION 1. Representations and Warranties.

(a) *Representations and Warranties by the Company.* The Company represents and warrants to each Underwriter as of the date hereof, as of the Applicable Time referred to in Section 1(a)(i) hereof, as of the Closing Time referred to in Section 2(c) hereof, and as of each Date of Delivery (if any) referred to in Section 2(b) hereof, and agrees with each Underwriter, as follows:

(i) Compliance with Registration Requirements. The Company is eligible to use Form N-2. The Registration Statement (and the Registration Statement as amended by any post-effective amendment if the Company shall have made any amendments thereto after the effective date of the Registration Statement) became effective upon filing under the 1933 Act with the Commission and no stop order suspending the effectiveness of the Registration Statement (and the Registration Statement as amended by any post-effective amendment if the Company shall have made any amendments thereto after the effective date of the Registration Statement) has been issued under the 1933 Act and no proceedings for that purpose or pursuant to Section 8A of the 1933 Act have been instituted or are pending or, to the knowledge of the Company, are contemplated by the Commission, and any request on the part of the Commission for additional information has been complied with.

At the respective times the Registration Statement and any post-effective amendments thereto became effective, at the Applicable Time and at the Closing Time (and, if any Option Securities are purchased, at the Date of Delivery), the Registration Statement complied and will comply in all material respects with the requirements of the 1933 Act, the 1933 Act Regulations and the 1940 Act and did not and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading. Neither the Prospectus nor any amendments or supplements thereto (including any prospectus wrapper), at the time the Prospectus or any such amendment or supplement was issued, and at the Closing Time (and, if any Option Securities are purchased, at the Date of Delivery), included or will include an untrue statement of a material fact or omitted or will omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

The Prospectus, the preliminary prospectus and the prospectus filed as part of the Registration Statement as originally filed or as part of any amendment thereto complied when so filed in all material respects with the 1933 Act, the 1933 Act Regulations and the 1940 Act except for any corrections to the preliminary prospectus that are made in the Prospectus and the preliminary prospectus and the Prospectus delivered to the Underwriters for use in connection with this offering was identical to the electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

The documents incorporated or deemed to be incorporated by reference in the Registration Statement, any preliminary prospectus and the Prospectus (i) at the time they were or hereafter are filed with the Commission, complied or will comply in all material respects with the requirements of the Securities Exchange Act of 1934, as amended (the "1934 Act") and (ii) at the time they were filed with the Commission, when read together with the other information in the Registration Statement, the General Disclosure Package or the Prospectus, as the case may be, did not or will not include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

As of the Applicable Time, the preliminary prospectus, together with the information included on Schedule B hereto, all considered together (collectively, the "General Disclosure Package"), did not include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. As of the date hereof, as of the Applicable Time, and as of the Closing Time (and, if any Option Securities are purchased, at the Date of Delivery), the Marketing Materials (as defined below), together with the information contained in the General Disclosure Package, did not and will not include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading.

As used in this subsection and elsewhere in this Agreement, "Applicable Time" means 6:30 p.m. (Eastern time) on November 15, 2021, or such other time as agreed by the Company and the Representatives.

As used in this subsection and elsewhere in this Agreement, "Marketing Materials" means the materials, if any, set forth on Schedule D hereto.

The representations and warranties in this subsection shall not apply to statements in or omissions from the Registration Statement (or any amendment thereto), including the Rule 430B Information, any preliminary prospectus or the Prospectus (or any amendment or supplement thereto), the General Disclosure Package or the Marketing Materials made in reliance upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives expressly for use in the Registration Statement (or any amendment thereto), including the Rule 430B Information, any preliminary prospectus or the Prospectus (or any amendment or supplement thereto), the General Disclosure Package or the Marketing Materials, the

information contained in or omitted from the Registration Statement or the Prospectus (or any amendment or supplement thereto). For purposes of this Agreement, the only information so furnished shall be the information in the second sentence of the fourth paragraph under the heading "Underwriting," the first, fifth, sixth and eighth sentences of the twelfth paragraph under the heading "Underwriting," the third sentence of the thirteenth paragraph under the heading "Underwriting," the first, second and third sentence of the fifteenth paragraph under the heading "Underwriting," the sixteenth paragraph under the heading "Underwriting" and the twenty-fifth paragraph under the heading "Underwriting," in each case contained in the Prospectus (collectively, the "Underwriter Information").

(ii) Independent Accountants. The accountants who certified the Company's financial statements included or incorporated by reference in the Registration Statement, the General Disclosure Package and the Prospectus are independent public accountants as required by the 1933 Act, the 1933 Act Regulations and the 1934 Act.

(iii) Financial Statements. The financial statements included or incorporated by reference in the Registration Statement, the General Disclosure Package and the Prospectus, together with the related schedules and notes, present fairly in all material respects the financial position of the Company and its Subsidiaries (as defined below) at the dates indicated and the consolidated statement of operations, consolidated statement of stockholders' equity and consolidated statement of cash flows of the Company and its Subsidiaries for the periods specified; there are no financial statements that are required to be included in the Registration Statement, the General Disclosure Package or the Prospectus that are not included as required; said financial statements have been prepared in conformity with generally accepted accounting principles in the United States ("GAAP") applied on a consistent basis throughout the periods involved. The "Selected Financials" included in the Registration Statement, the General Disclosure Package and the Prospectus present fairly, in all material respects, the information shown therein as of the date presented and have been compiled on a basis consistent with that of the audited financial statements included in the Registration Statement, the General Disclosure Package and the Prospectus. The financial data set forth in the General Disclosure Package and in the Prospectus under the caption "Capitalization" fairly presents the information set forth therein on a basis consistent with that of the audited financial statements and related notes thereto contained in the Registration Statement. (iv) No Material Adverse Change in Business. Since the respective dates as of which information is given in the Registration Statement, the General Disclosure Package and the Prospectus, except as otherwise stated therein or incorporated by reference, (A) there has been no material adverse change in the condition, financial or otherwise, or in the earnings, business affairs or business prospects of the Company and its Subsidiaries (as defined below) considered as one enterprise, whether or not arising in the ordinary course of business (a "Material Adverse Effect"), (B) there have been no transactions entered into by the Company or its Subsidiaries, other than those in the ordinary course of business, which are material with respect to the Company and its Subsidiaries considered as one enterprise, and (C) there has been no dividend or distribution of any kind declared, paid or made by the Company on any class of its capital stock.

The Company has been duly organized and is validly existing as a corporation in good standing under the laws of the State of Maryland and has corporate power and authority to own, lease and operate its properties and to conduct its business as described in the General Disclosure Package and the Prospectus and to enter into and perform its obligations under this Agreement, the Investment Advisory Agreement and the Administration Agreement; and the Company is duly qualified as a foreign corporation to transact business and is in good standing in each other jurisdiction in which such qualification is required, whether by reason of the ownership or leasing of property or the conduct of business, except where the failure so to qualify or to be in good standing would not reasonably be expected to result in a Material Adverse Effect.

(vi) Subsidiaries. The Company's only subsidiaries that are consolidated with the Company for financial reporting purposes under GAAP are those listed on Schedule C hereto (each, a "Subsidiary" and collectively, the "Subsidiaries"). Each of the Subsidiaries has been duly organized and is validly existing as a corporation, limited liability company or limited partnership in good standing under the laws of the jurisdiction of its organization, has power and authority to own, lease and operate its properties and to conduct its business as described in the Prospectus and is duly qualified as a foreign corporation, limited liability company or limited partnership to transact business and is in good standing in each jurisdiction in which such qualification is required, whether by reason of the ownership or leasing of property or the conduct of business, except where the failure to be so qualified or to be in good standing would not reasonably be expected to result in a Material Adverse Effect; except as otherwise disclosed in the Registration Statement, all of the issued and outstanding capital stock of each such Subsidiary has been duly authorized and validly issued and is fully paid and non-assessable; none of the outstanding shares of capital stock of any of the Subsidiaries was issued in violation of the preemptive or other similar rights of any securityholder of such Subsidiary. Except (A) as set forth in the Registration Statement, the General Disclosure Package and the Prospectus and (B) portfolio investments made after September 30, 2021, the Company does not own, directly or indirectly, any shares of stock or any other equity or debt securities of any corporation or have any equity or debt interest in any firm, partnership, joint venture, association or other entity that is not a Subsidiary.

(vii) Capitalization. The authorized, issued and outstanding capital stock of the Company is as set forth in the General Disclosure Package and the Prospectus under the caption "Capitalization" (except for subsequent issuances, if any, pursuant to this Agreement, pursuant to the Company's Dividend Reinvestment Plan or pursuant to reservations, agreements or employee benefit plans, if any, referred to in the General

Disclosure Package or in the Prospectus or pursuant to the exercise of convertible securities or options, if any, referred to in the General Disclosure Package or the Prospectus). The shares of issued and outstanding capital stock of the Company have been duly authorized and validly issued and are fully paid and non-assessable; none of the outstanding shares of capital stock of the Company was issued in violation of preemptive or other similar rights of any securityholder of the Company.

(viii) Authorization of Agreements. This Agreement, the Investment Advisory Agreement and the Administration Agreement have each been duly authorized, executed and delivered by the Company. The Investment Advisory Agreement and the Administration Agreement are valid and binding obligations of the Company, enforceable against the Company in accordance with their terms, except as the enforcement thereof may be subject to (A) bankruptcy, insolvency, reorganization, moratorium or other similar laws now or thereafter in effect relating to creditors' rights generally and (B) general principles of equity and the discretion of the court before which any proceeding therefor may be brought.

(ix) Authorization and Description of Securities. The Securities have been duly authorized for issuance and sale to the Underwriters pursuant to this Agreement and, when issued and delivered by the Company pursuant to the provisions of this Agreement against payment of the consideration set forth in this Agreement, will be validly issued and fully paid and non-assessable; the Common Stock conforms in all material respects to the statements relating thereto contained in the General Disclosure Package and the Prospectus; and the issuance of the Securities is not subject to preemptive or other similar rights of any securityholder of the Company.

(x) Absence of Defaults and Conflicts. Neither the Company nor any of the Subsidiaries is in violation of its charter, by-laws or other organizational documents. Further, neither the Company nor any of the Subsidiaries is in default in the performance or observance of any obligation, agreement, covenant or condition contained in any contract, indenture, mortgage, deed of trust, loan or credit agreement, note, lease or other agreement or instrument to which the Company or any of the Subsidiaries is a party or by which any of them may be bound, or to which any of the property or assets of the Company or any of the Subsidiaries is subject (collectively, "Agreements and Instruments") except for such defaults that would not result in a Material Adverse Effect; and the execution, delivery and performance of this Agreement, the Investment Advisory Agreement and the Administration Agreement and the consummation of the transactions contemplated herein and therein and in the Registration Statement, the General Disclosure Package and the Prospectus (including the issuance and sale of the Securities and the use of the proceeds from the sale of the Securities as described in the General Disclosure Package and the Prospectus under the caption "Use of Proceeds") and compliance by the Company with its obligations hereunder and thereunder do not and will not, whether with or without the giving of notice or passage of time or both, conflict with or constitute a breach of, or default or Repayment Event (as defined below) under, or result in the creation or imposition of any lien, charge or encumbrance upon any property or assets of the Company or any of the Subsidiaries pursuant to, the Agreements

and Instruments, except for such conflicts, breaches, defaults or Repayment Events that would not result in a Material Adverse Effect, nor will such action result in any violation of the provisions of the charter, by-laws or other organizational documents of the Company or any of the Subsidiaries or any applicable law, statute, rule, regulation, judgment, order, writ or decree of any government, government instrumentality or court, domestic or foreign, having jurisdiction over the Company or any of the Subsidiaries or any of their assets, properties or operations. As used herein, a "Repayment Event" means any event or condition which gives the holder of any note, debenture or other evidence of indebtedness (or any person acting on such holder's behalf) the right to require the repurchase, redemption or repayment of all or a portion of such indebtedness by the Company or any of the Subsidiaries.

(xi) Absence of Proceedings. Other than as disclosed in the General Disclosure Package, there is no action, suit or proceeding or, to the knowledge of the Company, inquiry or investigation, before or brought by any court or governmental agency or body, domestic or foreign, now pending, or, to the knowledge of the Company, threatened, against or affecting the Company or any of the Subsidiaries, which is required to be disclosed in the General Disclosure Package, or which would result in a Material Adverse Effect, or which would materially and adversely affect the properties or assets thereof or the consummation of the transactions contemplated in this Agreement, the Investment Advisory Agreement or the Administration Agreement or the performance by the Company of its obligations hereunder or thereunder; the aggregate of all pending legal or governmental proceedings to which the Company or any of the Subsidiaries is a party or of which any of their respective property or assets is the subject which are not described in the General Disclosure Package, including ordinary routine litigation incidental to the business, would not result in a Material Adverse Effect.

(xii) Accuracy of Exhibits. There are no contracts or documents which are required to be described in the Registration Statement or the Prospectus or to be filed as exhibits thereto which have not been so described and filed as required.

(xiii) Possession of Intellectual Property. The Company and the Subsidiaries own or possess, or can acquire on reasonable terms, adequate patents, patent rights, licenses, inventions, copyrights, know-how (including trade secrets and other unpatented and/or unpatentable proprietary or confidential information, systems or procedures), trademarks, service marks, trade names or other intellectual property (collectively, "Intellectual Property") necessary to carry on the business now operated by them or proposed to be operated by them immediately following the offering of the Securities as described in the General Disclosure Package and the Prospectus, except where the failure to own or possess or otherwise be able to acquire such rights in a timely manner would not otherwise reasonably be expected to result in a Material Adverse Effect, and neither the Company nor any of the Subsidiaries has received any notice of or is otherwise aware of any infringement of or conflict with asserted rights of others with respect to any Intellectual Property or of any facts or circumstances which would render any Intellectual Property invalid or inadequate to protect the interest of the Company or any of the Subsidiaries therein, and which infringement or conflict (if the subject of any unfavorable decision, ruling or finding) or invalidity or inadequacy, singly or in the aggregate, would reasonably be expected to result in a Material Adverse Effect.

(xiv) Absence of Further Requirements. No filing with, or authorization, approval, consent, license, order, registration, qualification or decree of, any court or governmental authority or agency is necessary or required for the performance by the Company of its obligations hereunder, in connection with the offering, issuance or sale of the Securities hereunder or the consummation of the transactions contemplated by this Agreement, the Investment Advisory Agreement, the Administration Agreement, the General Disclosure Package or the Prospectus (including the use of the proceeds from the sale of the Securities as described in the General Disclosure Package and the Prospectus under the caption “Use of Proceeds”), except (A) such as have been already obtained under the 1933 Act, the 1933 Act Regulations or the 1940 Act, (B) such as may be required under state securities laws, and (C) the filing of the Notification of Election under the 1940 Act, which has been effected.

(xv) Absence of Manipulation. Neither the Company nor any affiliate of the Company has taken, nor will the Company or any affiliate take, directly or indirectly, any action which is designed to or which has constituted or which would be expected to cause or result in stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Securities in violation of any law, statute, regulation or rule applicable to the Company or its affiliates.

(xvi) Possession of Licenses and Permits. The Company and the Subsidiaries possess such permits, licenses, approvals, consents and other authorizations (collectively, “Governmental Licenses”) issued by the appropriate federal, state, local or foreign regulatory agencies or bodies necessary to conduct the business now operated by them or proposed to be operated by them immediately following the offering of the Securities as described in the General Disclosure Package and the Prospectus, except where the failure so to possess would not reasonably be expected to, singly or in the aggregate, result in a Material Adverse Effect; the Company and the Subsidiaries are in compliance with the terms and conditions of all such Governmental Licenses, except where the failure so to comply would not reasonably be expected to, singly or in the aggregate, result in a Material Adverse Effect; all of the Governmental Licenses are valid and in full force and effect, except when the invalidity of such Governmental Licenses or the failure of such Governmental Licenses to be in full force and effect would not reasonably be expected to, singly or in the aggregate, result in a Material Adverse Effect; and neither the Company nor any of the Subsidiaries has received any notice of proceedings relating to the revocation or modification of any such Governmental Licenses which, singly or in the aggregate, if the subject of an unfavorable decision, ruling or finding, would reasonably be expected to result in a Material Adverse Effect.

(xvii) Investment Company Act. The Company is not required, and upon the issuance and sale of the Securities as herein contemplated and the application of the net proceeds therefrom as described in the Prospectus will not be required, to register as a “registered management investment company” under the 1940 Act.

(xviii) Registration Rights. There are no persons with registration rights or other similar rights to have any securities registered pursuant to the Registration Statement or otherwise registered by the Company under the 1933 Act.

(xix) Related Party Transactions. There are no business relationships or related party transactions involving the Company, any of the Subsidiaries or any other person required to be described in the Prospectus which have not been described as required.

(xx) Notification of Election. When the Notification of Election was filed with the Commission, it (A) contained all statements required to be stated therein in accordance with, and complied in all material respects with the requirements of, the 1940 Act and (B) did not include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(xxi) Investment Advisory Agreement. (A) The terms of the Investment Advisory Agreement, including compensation terms, comply in all material respects with all applicable provisions of the 1940 Act and the Advisers Act and (B) the approvals by the board of directors and the stockholders of the Company of the Investment Advisory Agreement have been made in accordance with the requirements of Section 15 of the 1940 Act applicable to companies that have elected to be regulated as business development companies under the 1940 Act.

(xxii) Interested Persons. Except as disclosed in the Registration Statement, the General Disclosure Package and the Prospectus (A) no person is serving or acting as an officer, director or investment adviser of the Company, except in accordance with the provisions of the 1940 Act and the Advisers Act, and (B) to the knowledge of the Company, no director of the Company is an "interested person" (as defined in the 1940 Act) of the Company or an "affiliated person" (as defined in the 1940 Act) of any of the Underwriters.

(xxiii) Business Development Company. The Adviser and the Administrator, jointly and severally, represent to each Underwriter as of the date hereof, as of the Applicable Time, as of the Closing Time referred to in Section 2(c) hereof, and as of each Date of Delivery (if any) referred to in Section 2(b) hereof, and agree with each Underwriter as follows:

(i) No Material Adverse Change in Business. Since the respective dates as of which information is given in the Registration Statement, the General Disclosure Package and the Prospectus, except as otherwise stated therein or incorporated by reference, there has been no material adverse change in the condition, financial or otherwise, or in the earnings, business affairs, business prospects or regulatory status of the Adviser or the Administrator, whether or not arising in the ordinary course of business, that would reasonably be expected to result in a Material Adverse Effect. For purposes of this Section 1(b), “Material Adverse Effect” means, in addition to a “Material Adverse Effect” as defined in Section 1(c) (iv), any material adverse effect on the ability of the Adviser or Administrator, as applicable, to fulfill its obligations under this Agreement.

(ii) Good Standing. Each of the Adviser and the Administrator has been duly organized and is validly existing as a limited liability company in good standing under the laws of the State of Delaware, and has limited liability company power and authority to own, lease and operate its properties and to conduct its business as described in the General Disclosure Package and the Prospectus and to enter into and perform its obligations under this Agreement; the Adviser has limited liability company power and authority to execute and deliver and perform its obligations under the Investment Advisory Agreement; the Administrator has limited liability company power and authority to enter into and perform its obligations under the Administration Agreement; and each of the Adviser and the Administrator is duly qualified to transact business as a foreign entity and is in good standing in each other jurisdiction in which such qualification is required, whether by reason of ownership or leasing of its property or the conduct of business, except where the failure to qualify or be in good standing would not otherwise reasonably be expected to result in a Material Adverse Effect.

(iii) Registration Under Advisers Act. The Adviser is duly registered with the Commission as an investment adviser under the Advisers Act and is not prohibited by the Advisers Act or the 1940 Act from acting under the Investment Advisory Agreement for the Company as contemplated by the General Disclosure Package and the Prospectus. There does not exist any proceeding or, to the Adviser’s knowledge, any facts or circumstances the existence of which could lead to any proceeding which might adversely affect the registration of the Adviser with the Commission.

(iv) Absence of Proceedings. There is no action, suit or proceeding or, to the knowledge of the Adviser or the Administrator, inquiry or investigation before or brought by any court or governmental agency or body, domestic or foreign, now pending, or, to the knowledge of the Adviser or the Administrator, threatened, against or affecting either the Adviser or the Administrator, which is required to be disclosed in the General Disclosure Package (other than as disclosed therein), or which would reasonably be expected to result in a Material Adverse Effect, or which would reasonably be expected to materially and adversely affect the consummation of the transactions contemplated in this Agreement, the Investment Advisory Agreement or the Administration Agreement; the aggregate of all pending legal or governmental proceedings to which the Adviser or the Administrator is a party or of which any of their respective property or assets is the subject which are not described in the General Disclosure Package, including ordinary routine litigation incidental to their business, would not reasonably be expected to result in a Material Adverse Effect.

(v) Absence of Defaults and Conflicts. Neither the Adviser nor the Administrator is in violation of its limited liability company operating agreement or in default in the performance or observance of any obligation, agreement, covenant or condition contained in any contract, indenture, mortgage, deed of trust, loan or credit agreement, note, lease or other agreement or instrument to which the Adviser or the Administrator is a party or by which it or any of them may be bound, or to which any of the property or assets of the Adviser or the Administrator is subject (collectively, the “Adviser/Administrator Agreements and Instruments”), or in violation of any law, statute, rule, regulation, judgment, order or decree except for such violations or defaults that would not reasonably be expected to result in a Material Adverse Effect; and the execution, delivery and performance of this Agreement, the Investment Advisory Agreement and the Administration Agreement and the consummation of the transactions contemplated herein and therein and in the Registration Statement, the General Disclosure Package and the Prospectus (including the issuance and sale of the Securities and the use of the proceeds from the sale of the Securities as described in the General Disclosure Package and the Prospectus under the caption “Use of Proceeds”) and compliance by the Adviser and the Administrator with their respective obligations hereunder and under the Investment Advisory Agreement and the Administration Agreement do not and will not, whether with or without the giving of notice or passage of time or both, conflict with or constitute a breach of, or default under, or result in the creation or imposition of any lien, charge or encumbrance upon any property or assets of the Adviser or the Administrator pursuant to, the Adviser/Administrator Agreements and Instruments except for such violations or defaults that would not reasonably be expected to result in a Material Adverse Effect, nor will such action result in any violation of the provisions of the limited liability company operating agreement of the Adviser or Administrator, respectively, or any applicable law, statute, rule, regulation, judgment, order, writ or decree of any government, government instrumentality or court, domestic or foreign, having jurisdiction over the Adviser or the Administrator or any of their assets, properties or operations.

(vi) Authorization of Agreements. This Agreement, the Investment Advisory Agreement and the Administration Agreement have been duly authorized, executed and delivered by the Adviser and the Administrator, as applicable. This Agreement, the Investment Advisory Agreement and the Administration Agreement are valid and binding obligations of the Adviser or the Administrator, as applicable, enforceable against them in accordance with their terms, except as the enforcement thereof may be subject to (i) bankruptcy, insolvency, reorganization, moratorium or other similar laws now or thereafter in effect relating to creditors’ rights generally and (ii) general principles of equity and the discretion of the court before which any proceeding therefor may be brought.

(vii) Absence of Further Requirements. No filing with, or authorization, approval, consent, license, order, registration, qualification or decree of, any court or governmental authority or agency is necessary or required for the performance by the Adviser or the Administrator of their obligations hereunder, in connection with the offering, issuance or sale of the Securities hereunder or the consummation of the

transactions contemplated by this Agreement, the Investment Advisory Agreement, the Administration Agreement, the General Disclosure Package or the Prospectus (including the use of the proceeds from the sale of the Securities as described in the General Disclosure Package and the Prospectus under the caption "Use of Proceeds"), except (A) such as have been already obtained under the 1933 Act, the 1933 Act Regulations or the 1940 Act, (B) such as may be required under state securities laws and (C) the filing of the Notification of Election under the 1940 Act, which has been effected.

(viii) Description of Adviser and Administrator. The description of the Adviser and the Administrator contained in the General Disclosure Package and the Prospectus does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances in which they were made, not misleading.

(ix) Possession of Licenses and Permits. The Adviser and the Administrator possess such Governmental Licenses issued by the appropriate federal, state, local or foreign regulatory agencies or bodies necessary to conduct the business now operated by them, except where the failure so to possess would not reasonably be expected to, singly or in the aggregate, result in a Material Adverse Effect; the Adviser and the Administrator are in compliance with the terms and conditions of all such Governmental Licenses, except where the failure so to comply would not, singly or in the aggregate, result in a Material Adverse Effect; all of the Governmental Licenses are valid and in full force and effect, except when the invalidity of such Governmental Licenses or the failure of such Governmental Licenses to be in full force and effect would not, singly or in the aggregate, result in a Material Adverse Effect; and neither the Adviser nor the Administrator has received any notice of proceedings relating to the revocation or modification of any such Governmental Licenses which, singly or in the aggregate, if the subject of an unfavorable decision, ruling or finding, would reasonably be expected to result in a Material Adverse Effect.

(x) Stabilization and Manipulation. Neither the Adviser, the Administrator nor any of their respective partners, officers, affiliates or controlling persons has taken, directly or indirectly, any action designed, under the 1934 Act, to result in the stabilization or manipulation of the price of any security of the Company to facilitate the sale of the Securities in violation of any law, statute, regulation or rule applicable to the Adviser, the Administrator or any of their respective partners, officers, affiliates or controlling persons.

(xi) Employment Status. The Adviser is not aware that (A) any executive, key employee or significant group of employees of the Company, if any, any of the Subsidiaries, the Adviser or the Administrator, as applicable, plans to terminate employment with the Company, any of the Subsidiaries, the Adviser or the Administrator or (B) any such executive or key employee is subject to any noncompete, nondisclosure, confidentiality, employment, consulting or similar agreement that would be violated by the present or proposed business activities of the Company, the Subsidiaries or the Adviser except where such termination or violation would not reasonably be expected to have a Material Adverse Effect.

(xii) **Internal Controls.** The Adviser is using its commercially reasonable efforts to operate a system of internal controls sufficient to provide reasonable assurance that (A) transactions effectuated by it under the Investment Advisory Agreement are executed in accordance with its management's general or specific authorization; and (B) access to the Company's assets that are in its possession or control is permitted only in accordance with its management's general or specific authorization.

(xiii) **Accounting Controls.** The Administrator is using its commercially reasonable efforts to operate a system of internal accounting controls sufficient to provide reasonable assurance that (A) transactions for which it has bookkeeping and record keeping responsibility for under the Administration Agreement are recorded as necessary to permit preparation of the Company's financial statements in conformity with GAAP and to maintain financial statements in conformity with GAAP and to maintain accountability for the Company's assets and (B) the recorded accountability for such assets is compared with existing assets at reasonable intervals and appropriate action is taken with respect to any differences.

(c) **Officer's Certificates.** Any certificate signed by any officer of the Company, any of the Subsidiaries, the Adviser or the Administrator delivered to the Representatives or to counsel for the Underwriters shall be deemed a representation and warranty by the Company, such Subsidiary, the Adviser and/or the Administrator, as applicable, to each Underwriter as to the matters covered thereby.

SECTION 2. Sale and Delivery to Underwriters; Closing.

(a) **Initial Securities.** On the basis of the representations and warranties herein contained and subject to the terms and conditions herein set forth, the Company agrees to sell to each Underwriter, severally and not jointly, and each Underwriter, severally and not jointly, agrees to purchase from the Company, at a price per share of \$21.33 (after adding a supplemental payment of \$1.98 per share payable by the Adviser to the Underwriters (the "Adviser Supplemental Payment") to the public offering price of \$19.35), the number of Initial Securities set forth in Schedule A opposite the name of such Underwriter, plus any additional number of Initial Securities which such Underwriter may become obligated to purchase pursuant to the provisions of Section 10 hereof. In addition, in connection with the sales of the Initial Securities, the Adviser agrees to pay to BofA Securities, Inc., for the account of the Underwriters, \$0.7740 per share (which represents underwriting commissions payable by the Adviser) (the "Adviser Sales Load Payment") with respect to the Initial Securities.

(b) **Option Securities.** In addition, on the basis of the representations and warranties herein contained and subject to the terms and conditions herein set forth, the Company hereby grants an option to the Underwriters, severally and not jointly, to purchase up to an additional 375,000 shares of Common Stock at a price per share of \$21.33, less an amount per share equal to any dividends or distributions declared by the Company and payable on the Initial Securities but not payable on the Option Securities. The option hereby granted will expire 30 days after the

date hereof and may be exercised in whole or in part from time to time on one or more occasions upon notice by the Representatives to the Company setting forth the number of Option Securities as to which the several Underwriters are then exercising the option and the time and date of payment and delivery for such Option Securities. Any such time and date of delivery (a "Date of Delivery") shall be determined by the Representatives, but shall not be later than seven full business days after the exercise of said option, nor in any event prior to the Closing Time, as hereinafter defined. If the option is exercised as to all or any portion of the Option Securities, each of the Underwriters, acting severally and not jointly, will purchase that proportion of the total number of Option Securities then being purchased which the number of Initial Securities set forth in Schedule A opposite the name of such Underwriter bears to the total number of Initial Securities, subject in each case to such adjustments as the Representatives in their discretion shall make to eliminate any sales or purchases of fractional shares. In addition, in connection with the sale of any Option Securities, the Adviser agrees to make the per share Adviser Supplemental Payment and Adviser Sales Load Payment with respect to such Option Securities.

(c) *Payment.* Payment of the purchase price for, and delivery of certificates for, the Initial Securities shall be made at the offices of Ropes & Gray LLP, 1211 Avenue of the Americas, New York, NY 10036, or at such other place as shall be agreed upon by the Representatives and the Company, at 9:00 a.m. (Eastern time) on the second (third, if the pricing occurs after 4:00 p.m. (Eastern time) on any given day) business day after the date hereof (unless postponed in accordance with the provisions of Section 10), or such other time not later than ten business days after such date as shall be agreed upon by the Representatives and the Company (such time and date of payment and delivery being herein called "Closing Time").

In addition, in the event that any or all of the Option Securities are purchased by the Underwriters, payment of the purchase price for, and delivery of certificates for, such Option Securities shall be made at the above mentioned offices, or at such other place as shall be agreed upon by the Representatives and the Company, on each Date of Delivery as specified in the notice from the Representatives to the Company.

Payment shall be made to the Company by wire transfer of immediately available funds to a bank account designated by the Company, against delivery to the Representatives through the facilities of The Depository Trust Company ("DTC") for the respective accounts of the Underwriters of certificates for the Securities to be purchased by them. It is understood that each Underwriter has authorized the Representatives, for its account, to accept delivery of, receipt for, and make payment of the purchase price for, the Initial Securities and the Option Securities, if any, which it has agreed to purchase. The Representatives, individually and not as representatives of the Underwriters, may (but shall not be obligated to) make payment of the purchase price for the Initial Securities or the Option Securities, if any, to be purchased by any Underwriter whose funds have not been received by the Closing Time or the relevant Date of Delivery, as the case may be, but such payment shall not relieve such Underwriter from its obligations hereunder.

(d) *Denominations; Registration.* The certificates for the Initial Securities and the Option Securities, if any, shall be transferred electronically at the Closing Time or the relevant Date of Delivery, as the case may be, in such denominations and registered in such names as the Representatives may request; provided that any such request must be received in writing at least one full business day before the Closing Time or the relevant Date of Delivery, as the case may be.

SECTION 3. Covenants of the Company. The Company covenants with each Underwriter as follows:

(a) *Compliance with Securities Regulations and Commission Requests*. During any period that a prospectus relating to the Securities is required to be delivered under the 1933 Act (but in any event through the Closing Time), the Company, subject to Section 3(b), will comply with the requirements of Rule 415, Rule 430B and Rule 424(b) and will notify the Representatives immediately, and confirm the notice in writing, (i) when any post-effective amendment to the Registration Statement shall become effective, or any supplement to the Prospectus or any amended Prospectus shall have been filed, (ii) of the receipt of any comments from the Commission relating to the Registration Statement, (iii) of any request by the Commission for any amendment to the Registration Statement or any amendment or supplement to the Prospectus or for additional information, and (iv) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or of any order preventing or suspending the use of any preliminary prospectus, or of any proceeding under Section 8A of the 1933 Act, or of the suspension of the qualification of the Securities for offering or sale in any jurisdiction, or of the initiation or threatening of any proceedings for any of such purposes. The Company will promptly effect the filings necessary pursuant to Rule 424(b) and will take such steps as it deems necessary to ascertain promptly whether the form of prospectus transmitted for filing under Rule 424(b) was received for filing by the Commission and, in the event that it was not, it will promptly file such prospectus. During any period that a prospectus relating to the Securities is required to be delivered under the 1933 Act (but in any event through the Closing Time), the Company will use its reasonable efforts to prevent the issuance of any stop order and, if any stop order is issued, to obtain the lifting thereof at the earliest possible moment.

(b) *Filing of Amendments*. During any period that a prospectus relating to the Securities is required to be delivered under the 1933 Act (but in any event through the Closing Time), the Company will give the Representatives notice of its intention to file or prepare any amendment to the Registration Statement (including any filing under Rule 462(b)) or any amendment, supplement or revision to any preliminary prospectus (including any prospectus included in the Registration Statement at the time it became effective) or to the Prospectus, will furnish the Representatives with copies of any such documents a reasonable amount of time prior to such proposed filing or use, as the case may be, and will not file or use any such document to which the Representatives or counsel for the Underwriters shall reasonably object. The Company has given the Underwriters notice of any filings made pursuant to the 1934 Act or the rules and regulations adopted thereunder within 48 hours prior to the Applicable Time; the Company will give the Underwriters notice of its intention to make any such filing from the Applicable Time to the Closing Time and will furnish the Underwriters with copies of any such documents a reasonable amount of time prior to such proposed filing.

(c) *Delivery of Commission Filings.* Upon the Representatives' written request, the Company will deliver to the Representatives, without charge, conformed copies of the Registration Statement as originally filed, and of each amendment thereto (including exhibits filed therewith or incorporated by reference therein and documents incorporated or deemed to be incorporated by reference therein) and conformed copies of all consents and certificates of experts, and, upon the Representatives' request, will also deliver to the Representatives, without charge, a conformed copy of the Registration Statement as originally filed and of each amendment thereto (without exhibits) for each of the Underwriters. The copies of the Registration Statement and each amendment thereto furnished to the Underwriters will be identical to the electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T, or as filed with the Commission in paper form as permitted by Regulation S-T.

(d) *Delivery of Prospectuses.* The Company has delivered to each Underwriter, without charge, as many copies of each preliminary prospectus as such Underwriter reasonably requested, and the Company hereby consents to the use of such copies for purposes permitted by the 1933 Act. The Company will furnish to each Underwriter, without charge, during the period when the Prospectus is required to be delivered under the 1933 Act, such number of copies of the Prospectus (as amended or supplemented) as such Underwriter may reasonably request. The Prospectus and any amendments or supplements thereto furnished to the Underwriters will be identical to the electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

(e) *Continued Compliance with Securities Laws.* The Company will use its commercially reasonable efforts to comply with the 1933 Act and the 1933 Act Regulations so as to permit the completion of the distribution of the Securities as contemplated in this Agreement and in the Prospectus. If at any time when a prospectus is required by the 1933 Act to be delivered in connection with sales of the Securities, any event shall occur or condition shall exist as a result of which it is necessary, in the opinion of counsel for the Underwriters or for the Company, to amend the Registration Statement or amend or supplement the Prospectus in order that the Prospectus will not include any untrue statements of a material fact or omit to state a material fact necessary in order to make the statements therein not misleading in the light of the circumstances existing at the time it is delivered to a purchaser, or if it shall be necessary, in the opinion of such counsel, at any such time to amend the Registration Statement or amend or supplement the Prospectus in order to comply with the requirements of the 1933 Act or the 1933 Act Regulations, the Company will promptly prepare and file with the Commission, subject to Section 3(b), such amendment or supplement as may be necessary to correct such statement or omission or to make the Registration Statement or the Prospectus comply with such requirements, and the Company will furnish to the Underwriters such number of copies of such amendment or supplement as the Underwriters may reasonably request.

(f) *Blue Sky Qualifications.* The Company will use its commercially reasonable efforts, in cooperation with the Underwriters, to qualify the Securities for offering and sale under the applicable securities laws of such states and other jurisdictions (domestic or foreign) as the Representatives may designate and to maintain such qualifications in effect for as long as the Representatives reasonably request; provided, however, that the Company shall not be obligated to file any general consent to service of process or to qualify as a foreign corporation or as a dealer in securities in any jurisdiction in which it is not so qualified or to subject itself to taxation in respect of doing business in any jurisdiction in which it is not otherwise so subject.

(g) *Rule 158.* The Company will timely file such reports pursuant to the 1934 Act as are necessary in order to make generally available to its securityholders as soon as reasonably practicable an earnings statement for the purposes of, and to provide the benefits contemplated by, the last paragraph of Section 11(a) of the 1933 Act.

(h) *DTC.* The Company will cooperate with the Representatives and use its commercially reasonable efforts to permit the offered Securities to be eligible for clearance and settlement through the facilities of DTC.

(i) *Use of Proceeds.* The Company will use the net proceeds received by it from the sale of the Securities in the manner specified in the General Disclosure Package and in the Prospectus under “Use of Proceeds”.

(j) *Listing.* The Company will use its commercially reasonable efforts to effect and maintain the listing of the Securities on the Nasdaq Global Select Market or the Nasdaq Global Market.

(k) *Restriction on Sale of Securities.* During a period of 90 days from the date of the Prospectus, the Company will not, and will not publicly disclose the intention to, without the prior written consent of the Representatives, (i) directly or indirectly, offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase or otherwise transfer or dispose of any shares of Common Stock or any securities convertible into or exercisable or exchangeable for Common Stock or file any registration statement under the 1933 Act with respect to any of the foregoing or (ii) enter into any swap or any other agreement or any transaction that transfers, in whole or in part, directly or indirectly, the economic consequence of ownership of the Common Stock, whether any such swap or transaction described in clause (i) or (ii) above is to be settled by delivery of Common Stock or such other securities, in cash or otherwise. The foregoing sentence shall not apply to (A) the registration and sale of Securities to be sold hereunder, (B) the issuance of any shares of Common Stock issued by the Company upon the exercise of an option or warrant or the conversion of a security outstanding on the date hereof and referred to in the Prospectus, and any registration related thereto, (C) any shares of Common Stock issued or options to purchase Common Stock granted pursuant to existing dividend reinvestment plans or employee benefit plans of the Company referred to in the Prospectus, and any registration related thereto, (D) any shares of Common Stock issued pursuant to any non-employee director stock plan or dividend reinvestment plan, and any registration related thereto, (E) any shares of Common Stock issued to directors in lieu of directors’ fees, and any registration related thereto, and (F) any post-effective amendment to the Registration Statement filed solely to add exhibits to the Registration Statement and which post-effective amendment becomes effective immediately upon filing with the Commission in accordance with Rule 462(d) under the 1933 Act.

(l) *Reporting Requirements.* The Company, during the period when the Prospectus is required to be delivered under the 1933 Act, will file all documents required to be filed with the Commission pursuant to the 1934 Act within the time periods required by the 1934 Act and the rules and regulations of the Commission thereunder.

(l) *Business Development Company Status.* The Company, during a period of at least 12 months from the Closing Time, will use its commercially reasonable efforts to maintain its status as a business development company; provided, however, the Company may cease to be, or withdraw its election as, a business development company, with the approval of the board of directors and a vote of stockholders as required by Section 58 of the 1940 Act or any successor provision.

(m) *Regulated Investment Company Status.* During the 12-month period following the Closing Time, the Company will use its commercially reasonable efforts to qualify and elect to be treated as a regulated investment company under Subchapter M of the Internal Revenue Code of 1986, as amended (the "Code") and to maintain such qualification and election in effect for each full fiscal year during which it is a business development company under the 1940 Act.

(n) *Accounting Controls.* The Company will use its commercially reasonable efforts to maintain a system of internal accounting controls sufficient to provide reasonable assurances that (A) material information relating to the Company and the assets managed by the Adviser is promptly made known to the officers responsible for establishing and maintaining the system of internal accounting controls; and (B) any significant deficiencies or weaknesses in the design or operation of internal accounting controls which could adversely affect the Company's ability to record, process, summarize and report financial data, and any fraud whether or not material that involves management or other employees who have a significant role in internal controls, are adequately and promptly disclosed to the Company's independent auditors and the audit committee of the Company's board of directors.

(o) *Marketing Materials.* Before using, authorizing, approving or referring to any Marketing Materials, the Company will furnish to the Representatives and counsel for the Underwriters a copy of such materials for review and will not use, authorize, approve or refer to any such materials to which the Representatives or the counsel for the Underwriters reasonably object.

SECTION 6. Indemnification.

(a) (1) Indemnification of Underwriters by the Company. The Company agrees to indemnify and hold harmless each Underwriter, its affiliates, as such term is defined in Rule 501(b) under the 1933 Act (each, an “Affiliate”), its directors, officers, selling agents and each person, if any, who controls any Underwriter within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act as follows:

(i) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, arising out of any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement (or any amendment thereto), including the Rule 430B Information (including the information on Schedule B hereto), or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading or arising out of any untrue statement or alleged untrue statement of a material fact included in any preliminary prospectus or the Prospectus (or any amendment or supplement thereto) or in the General Disclosure Package or the Marketing Materials, or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(ii) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, to the extent of the aggregate amount paid in settlement of any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or of any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission; provided that (subject to Section 6(d) below) any such settlement is effected with the written consent of the Company;

(iii) against any and all expense whatsoever, as incurred (including the fees and disbursements of counsel chosen by the Representatives), reasonably incurred in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission, to the extent that any such expense is not paid under (i) or (ii) above;

provided, however, that this indemnity agreement shall not apply to any loss, liability, claim, damage or expense to the extent arising out of any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with the Underwriter Information.

(2) *Indemnification of Underwriters by the Adviser and the Administrator.* Each of the Adviser and the Administrator, jointly and severally, agrees to indemnify and hold harmless each Underwriter, its Affiliates, its directors, officers, selling agents and each person, if any, who controls any Underwriter within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act as follows:

(i) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, arising out of any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement (or any amendment thereto), including the Rule 430B Information (including the information on Schedule B hereto), or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary

to make the statements therein not misleading or arising out of any untrue statement or alleged untrue statement of a material fact included in any preliminary prospectus or the Prospectus (or any amendment or supplement thereto) or in the General Disclosure Package or in the Marketing Materials, or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading to the extent the loss, liability, claim, damage and expense relates to information concerning the Adviser or the Administrator;

(ii) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, to the extent of the aggregate amount paid in settlement of any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or of any claim whatsoever based upon any such untrue statement or omission related to the Adviser or the Administrator or any such alleged untrue statement or omission related to the Adviser or the Administrator; provided that (subject to Section 6(d) below) any such settlement is effected with the written consent of the Company;

(iii) against any and all expense whatsoever, as incurred (including the fees and disbursements of counsel chosen by the Representatives), reasonably incurred in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue statement or omission related to the Adviser or the Administrator, or any such alleged untrue statement or omission related to the Adviser or the Administrator, to the extent that any such expense is not paid under (i) or (ii) above;

provided, however, that this indemnity agreement shall not apply to any loss, liability, claim, damage or expense to the extent arising out of any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with written information furnished to the Company by such Underwriter through the Representatives expressly for use in the Registration Statement (or any amendment thereto), including the Rule 430B Information, or any preliminary prospectus or the Prospectus (or any amendment or supplement thereto), the General Disclosure Package or the Marketing Materials.

(b) *Indemnification of Company, Directors, Officers, Adviser and Administrator.* Each Underwriter severally agrees to indemnify and hold harmless each of the Company, the Adviser, the Administrator, each of their directors and officers and each person, if any, who controls the Company, the Adviser or the Administrator within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act, against any and all loss, liability, claim, damage and expense described in the indemnity contained in subsection (a) of this Section, as incurred, but only with respect to untrue statements or omissions, or alleged untrue statements or omissions, made in the Registration Statement (or any amendment thereto), including the Rule 430B Information, or any preliminary prospectus or the Prospectus (or any amendment or supplement thereto), the General Disclosure Package or the Marketing Materials in reliance upon and in conformity with the Underwriter Information.

(c) *Actions against Parties; Notification.* Each indemnified party shall give notice as promptly as reasonably practicable to each indemnifying party of any action commenced against it in respect of which indemnity may be sought hereunder (an “Action”), but failure to so notify an indemnifying party shall not relieve such indemnifying party from any liability hereunder to the extent it is not materially prejudiced as a result thereof and in any event shall not relieve it from any liability which it may have otherwise than on account of this indemnity agreement. In the case of parties indemnified pursuant to Section 6(a)(1) or (2) above, counsel to the indemnified parties shall be selected by the Representatives, and, in the case of parties indemnified pursuant to Section 6(b) above, counsel to the indemnified parties shall be selected by the Company. An indemnifying party may participate at its own expense in the defense of any such Action; provided, however, that counsel to the indemnifying party shall not (except with the consent of the indemnified party) also be counsel to the indemnified party. In no event shall the indemnifying parties be liable for fees and expenses of more than one counsel (in addition to any local counsel) separate from their own counsel for all indemnified parties in connection with any one Action or separate but similar or related Actions in the same jurisdiction arising out of the same general allegations or circumstances. No indemnifying party shall, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever in respect of which indemnification or contribution could be sought under this Section 6 or Section 7 hereof (whether or not the indemnified parties are actual or potential parties thereto), unless such settlement, compromise or consent (i) includes an unconditional release of each indemnified party from all liability arising out of such litigation, investigation, proceeding or claim and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of any indemnified party. Notwithstanding anything to the contrary herein, neither the assumption of the defense of any such Action nor the payment of any fees or expenses related thereto shall be deemed to be an admission by the indemnifying party that it has an obligation to indemnify any person pursuant to this Agreement.

(d) *Settlement Without Consent if Failure to Reimburse.* If at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel, such indemnifying party agrees that it shall be liable for any settlement of the nature contemplated by Section 6(a)(1)(ii) or 6(a)(2)(ii) effected without its written consent if (i) such settlement is entered into more than 45 days after receipt by such indemnifying party of the aforesaid request, (ii) such indemnifying party shall have received notice of the terms of such settlement at least 30 days prior to such settlement being entered into and (iii) such indemnifying party shall not have reimbursed such indemnified party in accordance with such request prior to the date of such settlement.

(e) *Acknowledgement by the Company, the Adviser and the Administrator.* The Company, the Adviser and the Administrator also acknowledge and agree that (i) the purchase and sale of any Securities pursuant to this Agreement, including the determination of the public offering price of the Securities and any related discounts and commissions, is an arm’s-length commercial transaction between the Company, on the one hand, and the Underwriters of such Securities, on the other hand, and does not constitute a recommendation, investment advice or solicitation of any action by the Underwriters, (ii) in connection with the public offering of the

Securities and the process leading to such transaction the Underwriters will act solely as principals and not as agents or fiduciaries of the Company or its stockholders, creditors, employees or any other party, (iii) the Underwriters will not assume an advisory or fiduciary responsibility in favor of the Company with respect to the offering of Securities contemplated hereby or the process leading thereto (irrespective of whether the Underwriters have advised or are currently advising the Company on other matters) and the Underwriters will not have any obligation to the Company with respect to the offering except the obligations expressly set forth herein, (iv) the Underwriters and their affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Company, (v) the Underwriters have not provided and will not provide any legal, accounting, regulatory, investment or tax advice with respect to the offering of the Securities and the Company has consulted and will consult its own legal, accounting, regulatory and tax advisors to the extent it deemed appropriate and (vii) none of the activities of the Underwriters in connection with the transactions contemplated herein constitutes a recommendation, investment advice or solicitation of any action by the Underwriters with respect to any entity or natural person.

SECTION 7. Contribution. If the indemnification provided for in Section 6 hereof is for any reason unavailable to or insufficient to hold harmless an indemnified party in respect of any losses, liabilities, claims, damages or expenses referred to therein, then each indemnifying party shall contribute to the aggregate amount of such losses, liabilities, claims, damages and expenses incurred by such indemnified party, as incurred, (i) in such proportion as is appropriate to reflect the relative benefits received by the Company, the Adviser and the Administrator on the one hand and the Underwriters on the other hand from the offering of the Securities pursuant to this Agreement or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company, the Adviser and the Administrator on the one hand and of the Underwriters on the other hand in connection with the statements or omissions which resulted in such losses, liabilities, claims, damages or expenses, as well as any other relevant equitable considerations.

The relative benefits received by the Company, the Adviser and the Administrator on the one hand and the Underwriters on the other hand in connection with the offering of the Securities pursuant to this Agreement shall be deemed to be in the same respective proportions as the total net proceeds from the offering of the Securities pursuant to this Agreement (before deducting expenses) received by the Company and the total underwriting discount received by the Underwriters, in each case as set forth on the cover of the Prospectus, bear to the aggregate initial public offering price of the Securities as set forth on the cover of the Prospectus.

The relative fault of the Company, the Adviser and the Administrator on the one hand and the Underwriters on the other hand shall be determined by reference to, among other things, whether any such untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by the Company, the Adviser and the Administrator or by the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The Company, the Adviser, the Administrator and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 7 were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this Section 7. The aggregate amount of losses, liabilities, claims, damages and expenses incurred by an indemnified party and referred to above in this Section 7 shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue or alleged untrue statement or omission or alleged omission.

Notwithstanding the provisions of this Section 7, no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of any such untrue or alleged untrue statement or omission or alleged omission.

No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

For purposes of this Section 7, each person, if any, who controls an Underwriter within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act and each Underwriter's Affiliates, directors, officers and selling agents shall have the same rights to contribution as such Underwriter, and each director of the Company, each officer of the Company, and each person, if any, who controls the Company, Adviser or Administrator within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act shall have the same rights to contribution as the Company, Adviser or Administrator, as the case may be. The Underwriters' respective obligations to contribute pursuant to this Section 7 are several in proportion to the number of Initial Securities set forth opposite their respective names in Schedule A hereto and not joint.

Notwithstanding any other provision of Section 6 and this Section 7, no party shall be entitled to indemnification or contribution under this Agreement in violation of Section 17(i) of the 1940 Act.

SECTION 8. Representations, Warranties and Agreements to Survive. All representations, warranties and agreements contained in this Agreement or in certificates of officers of the Company, any of the Subsidiaries, the Adviser and the Administrator submitted pursuant hereto, shall remain operative and in full force and effect regardless of (i) any investigation made by or on behalf of any Underwriter or its Affiliates or selling agents, any person controlling any Underwriter, its officers or directors or any person controlling the Company and (ii) delivery of and payment for the Securities.

SECTION 9. Termination of Agreement.

(a) *Termination; General.* The Representatives may terminate this Agreement, by notice to the Company, at any time at or prior to Closing Time (i) if there has been, since the time of execution of this Agreement or since the respective dates as of which information is given in the Prospectus or the General Disclosure Package, any material adverse change in the condition, financial or otherwise, or in the earnings, business affairs or business prospects of the Company and the Subsidiaries considered as one enterprise, the Adviser or the Administrator, whether or not arising in the ordinary course of business, or (ii) if there has occurred any material adverse change in the financial markets in the United States or the international financial markets, any outbreak of hostilities or escalation thereof or other calamity or crisis or any change or development involving a prospective change in national or international political, financial or economic conditions, in each case the effect of which is such as to make it, in the judgment of the Representatives, impracticable or inadvisable to market the Securities or to enforce contracts for the sale of the Securities, or (iii) if trading in any securities of the Company has been suspended or materially limited by the Commission, the Nasdaq Global Select Market, the Nasdaq Global Market or The New York Stock Exchange, or (iv) if trading generally on The New York Stock Exchange, the NYSE American LLC, the Nasdaq Global Market or the Nasdaq Global Select Market has been suspended or materially limited, or minimum or maximum prices for trading have been fixed, or maximum ranges for prices have been required, by any of said exchanges or by such system or by order of the Commission, FINRA or any other governmental authority, or (v) a material disruption has occurred in commercial banking or securities settlement or clearance services in the United States, or (vi) if a banking moratorium has been declared by either Federal or New York authorities.

(b) *Liabilities.* If this Agreement is terminated pursuant to this Section, such termination shall be without liability of any party to any other party except as provided in Section 4 hereof, and provided further that Sections 1, 6, 7 and 8 shall survive such termination and remain in full force and effect.

SECTION 10. Default by One or More of the Underwriters. If one or more of the Underwriters shall fail at Closing Time or a Date of Delivery to purchase the Securities which it or they are obligated to purchase under this Agreement (the "Defaulted Securities"), the Representatives shall have the right, within 24 hours thereafter, to make arrangements for one or more of the non-defaulting Underwriters, or any other underwriters, to purchase all, but not less than all, of the Defaulted Securities in such amounts as may be agreed upon and upon the terms herein set forth; if, however, the Representatives shall not have completed such arrangements within such 24-hour period, then:

(i) if the number of Defaulted Securities does not exceed 10% of the number of Securities to be purchased on such date, each of the non-defaulting Underwriters shall be obligated, severally and not jointly, to purchase the full amount thereof in the proportions that their respective underwriting obligations hereunder bear to the underwriting obligations of all non-defaulting Underwriters, or

(ii) if the number of Defaulted Securities exceeds 10% of the number of Securities to be purchased on such date, this Agreement or, with respect to any Date of Delivery which occurs after the Closing Time, the obligation of the Underwriters to purchase and of the Company to sell the Option Securities to be purchased and sold on such Date of Delivery shall terminate without liability on the part of any non-defaulting Underwriter.

No action taken pursuant to this Section shall relieve any defaulting Underwriter from liability in respect of its default.

In the event of any such default which does not result in a termination of this Agreement or, in the case of a Date of Delivery which is after the Closing Time, which does not result in a termination of the obligation of the Underwriters to purchase and the Company to sell the relevant Option Securities, as the case may be, either the Representatives or the Company shall have the right to postpone Closing Time or the relevant Date of Delivery, as the case may be, for a period not exceeding seven days in order to effect any required changes in the Registration Statement, the General Disclosure Package or the Prospectus or in any other documents or arrangements. As used herein, the term "Underwriter" includes any person substituted for an Underwriter under this Section 10.

SECTION 11. Tax Disclosure. Notwithstanding any other provision of this Agreement, from the commencement of discussions with respect to the transactions contemplated hereby, the Company (and each employee, representative or other agent of the Company) may disclose to any and all persons, without limitation of any kind, the tax treatment and tax structure (as such terms are used in Sections 6011, 6111 and 6112 of the U.S. Code and the Treasury Regulations promulgated thereunder) of the transactions contemplated by this Agreement and all materials of any kind (including opinions or other tax analyses) that are provided relating to such tax treatment and tax structure.

SECTION 12. Notices. All notices and other communications hereunder shall be in writing and shall be deemed to have been duly given if mailed or transmitted by any standard form of telecommunication. Notices to the Underwriters shall be directed to the Representatives at BofA Securities, Inc., One Bryant Park, New York, NY 10036, Email: dg.ecm_execution_services@bofa.com, Attention: Syndicate Department, with a copy to: Email: dg.ecm_legal@bofa.com Attention: ECM Legal, Wells Fargo Securities, LLC, 500 West 33rd Street, New York, New York 10001, Attention: Equity Syndicate Department (fax no: (212) 214-5918) and Morgan Stanley & Co.
